Registration Statement on Form S-3

Incorporation of Certain Documents by Reference, page 2

1. We note your disclosure that you "incorporate by reference...any future filings made...after the initial filing date of the registration statement...and prior to the termination of this offering." Please revise this disclosure to state that any applicable filings made after the date of the prospectus and prior to the termination of the offering will be deemed to be incorporated by reference. Refer to Item 12(b) of Form S-3. In addition, to the extent you wish to incorporate by reference any applicable filings made during the pre-effective period, please further revise your disclosure to also state that any applicable filings made after the date of the initial registration statement and prior to

effectiveness will be deemed to be incorporated by reference. Refer to Question 123.05 of the Securities Act Forms Compliance and Disclosure Interpretations. Finally, please specifically incorporate by reference the Forms 8-K filed on February 7, 2013 and February 21, 2013.

2. We note your response to comment 3 in our letter dated January 28, 2012 as well as the revisions to the legal opinion adding a description of the common stock purchase rights. Please further revise the legal opinion to opine on the legality of the common stock purchase rights. Please see Section II.B.1.g of Staff Legal Bulletin No. 19 available on our website.
